Work Experiance

Maps Quality Analyst 2020-2022
Lionbridge-Telus AI

- Evaluation of data used to train AI
- Evaluation of geographical data

Experimental and Exact Sciences Teacher 2020-2022
ICEP / México

- Class proyects design
- Class program design
- Continuous Performance evaluation

Biotechnology assistant 2018-2019
UVEX Biofábrica / México

- Data analysis
- Experiment design
- Production process design
- Field Inoculation process evaluation

Education

2015-2019	2013-2015
Biotechnology Engineering - National Polytechnic Institute	Agricultural Technician - CBTa No 197

Skills

Python 3	R (Tidyverse)
Bash	MySQL
Linux	Git
Azure	Web Development

Portfolio

- Data extraction and analysis proyects
- Deepnote
- [baby temperature Time-series](#)
 - [Cryptocurrency Data extraction](#)
 - [Retail Data Analysis](#)
- Software Development with Python and R
- Github and Shinyapps
- [Twitter clone with FastAPI](#)
 - [Experimental Data Presentation App with R Shiny package](#)
 - [A clone of Instagram made with Django](#)
 - [An application to scrape data made with Selenium](#)

- _ Curso de Introducción a la Terminal y Línea de Comandos
- ☰ Curso de Fundamentos de Bases de Datos
- ⚡ Curso Definitivo de HTML y CSS
- _ Curso de Prework para Desarrollo de Aplicaciones Blockchain

📄 [A CLI Hangman Game made with base Python](#)
